"Good cooking is where you find it," according to the authors of this unique collection, whose international smorgasbord ranges from the haute cuisine of Europe's finest restaurants to the juicy hot dogs at Dodger Stadium. In perhaps the first celebrity cookbook, famed actor Vincent Price and his wife, Mary, present mouthwatering recipes from around the world in simplified, unpretentious forms that anyone can make and enjoy. Selected from London's The Ivy, Madrid's Palace Hotel, New York's Sardi's, and other legendary establishments, the recipes are accompanied by witty commentaries, while color photos and atmospheric drawings by Fritz Kredel make this one of the most beautiful books of its kind. Includes a Retrospective Preface by the couple's daughter, Victoria Price, and a newForeword by Wolfgang Puck.

A Calla Edition, originally published by Ampersand Press, Inc., New York, 1965."

Classic cookbook

By C. Fanelli

So far I've only tried one recipe from here - the vichyssoise - and it was very easy and very delicious. I'm a huge fan of Vincent Price and after hearing a lot about the original print of this book I wanted a copy of my own. I'm looking forward to making a lot more recipes, and I've enjoyed getting a glimpse into the Price's home and travels. I also enjoyed the extra charts and tables included, such as the conversions/substitutions and calorie charts.

I recommend you know A LOT about classic French cuisine and technique before buying this book.

By R. J. Pooley Jr.

This is STUNNING book, visually, culturally, personally but technically is VERY difficult. I love it but I can do a lot in the kitchen and am semi-professionally trained. If you are not comfortable in the kitchen you will love reading it and may try a few recipes but don't be upset when you realize the author assumes a lot of knowledge about cooking in the reader. Having said that, it's a fantastic book.

So Glad I Purchased This

By zess

Arrived in great condition and as stated in description. What an interesting and unique cookbook by two amazing people! I'm really enjoying reading this treasury of global recipes, restaurant menus, and photos of said restaurants. The Prices' enthusiasm for extraordinary food and it's presentation is infectious. I was only eight years old when this was published and am loving seeing through their eyes what their world was like and those places they visited. I've even researched the featured restaurants and found that many are still in business even though they may be under different ownership or different names and have also compared the book's photos with the current online photos. Some have changed drastically and others not as much. But it's been fun to see these changes and sad to know that some of these restaurants eventually closed. And as for the Prices' promise that extraordinary food can be served in our homes without difficulty or "busting" our budgets seems to hold true. Which makes this cookbook such a great addition to anyone's kitchen.
