A must read book

By Linda H.

This author does a fabulous job of warning the body of Christ of its errors and responsibility to pray for this nation, its leaders, the body of Christ as well as being a wake up call for discernment and repentance. At the

same time it sends the message of hope in the near future as we answer the rallying cry to pray and fast with humility for those in this nation and the world at large. Finally it focuses on making sure we examine ourselves to be sure we reflect the heart of the Father as we pray and reach out to others. It's not just a book, it's a prayer guide.

Heart of the Father Words!

By Sheila Lundie

Thank you Jeremiah Johnson for publishing your dreams. Very insightful and this gives me more prayer points!

This book is a quick read. :) But a book you will refer back to from time to time. Kinda reminds me of a shortened version of The Shepherd's Rod.

Intercessors Arise

By MjMGrace

As I have read the book but also had previously read many of the dreams on Facebook as they have been released on Jeremiah's page and then see headlines in the newspaper that confirmed the word shortly after first reading them on Facebook, made me say to myself to listen to what the Lord has given to Jeremiah to prophecy and then pray. There are many needs expressed in the book that are on the Lord's heart and require prayer. Jeremiah says the three keys for the church in 2014 are humility, prayer and fasting in order to see the breakthrough for our family, nation, nations and ourselves. It is a call to repentance, prayer, and fasting. May the Lord bless you.
