Good Read

By JJH

I'm going to give this one 3 1/2 stars. I LOVE Laurie Roma's IAD agency series, and I was excited to see Trinity get her own story in a spin off series. It had the usual great action suspense, and steamy love scenes that I have come to expect from Ms. Roma. What made me not give it more stars was two reasons. One, to me, Trinity seemed to act bratty (a nice way of putting it) a lot of the time. Strong heroines are my favorite to read about. But she threw the attitude a little too much--if people didn't do or say what she wanted, she would just get mad and leave. Second, I've read ménage stories before, but I think this is the first where the H's are not best friends or brothers before. I think it kind of puts a strain on the relationship. I wish the story was longer so the relationship could build more naturally and not feel rushed. I still feel it is well written, and will definitely be reading more upcoming books from this series!

Trinity from IAD is at Sunset Point.....YAY!!!!

By Dina Flores

Looks like I got my wish....the locals from Sunset Point are getting a story and BONUS Katrina "Trinity" Cross from IAD agency is getting her HEA in this book.....\*happy sigh\*

We first meet Trinity in book 3 of the IAD series. She has been shot, stabbed, you name and it has happened. She is on leave resting and recovering from her injuries and trying to figure out what do to next. Then Tara calls and asks a favor, Julian (Tara's fiance) is having problems with the renovations being done or rather not being done at their Palace Hotel on Sunset Point. Julian and Tara can't leave to check it out so Trinity goes after much coaxing from Tara and said yes she would but told Tara that nobody had better be trying to kill her.

Of course that doesn't happen and Trinity meets Jackson Stone of the SPPD. This man is seriously hot, alpha to the core and just YUMMY from head to toe. Instant attraction and BAM FIREWORKS!!! She then meets Maxwell King (Julian's brother) and she can't help but feel the same FIREWORKS and chemistry she feels for Jackson. She is attracted to both this hot, sexy men.

Action, suspense, drama, hot sexy lovin, and humor. This series has different authors but this story just flowed effortlessly. From book one to this one it does not miss a beat. I think no I know I can honestly say that while I enjoy ALL aspects of these books I truly loved the humor provided. Seriously you have to laugh, life is too short for you not to (my personal opinion).

A truly wonderfully, awesome read and just LOVE, LOVE, LOVE, LAURIE ROMA!!!! YOU ROCK.....=D

Entire Series enjoyable

By D & R fm VA

if you are looking for a cute, enjoyable read of a menage, you will enjoy the entire series. Nothing heavy, each story has its own "bad guy" story line, and the menage guys are always there to save and protect the girl. Nothing outstanding but I read the entire series and kept it which for me says alot.
