Nice place to hold the cash

By Christina

First off, get the app Every Dollar to get your budget in place. You can access the site online (google it) and create your budget there and it will also be in your phone. It's super easy and you can track everything on your computer or phone. No excuses! :-)

This executive envelopes are to hold everything once you've made a budget, and the app and online version from Dave is pretty awesome and it's free.

This trifold is something you do not want to carry around all the time because, to state the obvious, it holds all your cash. It has 8 envelopes that are spiral bound and 4 loose ones. It also has a coin pouch and a pad of paper and pen. The binding itself is really nice. I wish the envelopes were a little bigger unless I get hundred dollar bills instead of twenties for my grocery budget. Also the lines are super small to write on. Overall, it will help.

Bulky but very helpful

By Savin_Momma

I have taken the Dave Ramsey Financial Peace course before, and became very interested in using the cash system. I had tried using regular letter envelopes, but that did not work well as I was continually losing the change and not tracking all purchases.

I purchased this cash system set, and I am so happy I did. There is plenty of room for all of my needed cash categories. Inside the leather notebook you receive cash envelopes + extras, a notepad, change pouch, and pen. The envelopes give a place to track the cash.

Considering everything you get it is a bit bulky, and will not fit inside a pocket or small purse. The system is easy to use once you get it down.

Must have!

By T-Shizzal

I have been doing the Envelope System for a while now but haven't had the official Ramsey system. I have been using plain mailing envelopes. I love how it is all written out for you and you can know exactly what to do. We have saved so much money using this system. I would recommend it to everyone wanting to get out of debt and save money.
