It will depend upon your ready needs. But, we consistently recommend that publications For A Good Time Call By Trish Jensen can be a fantastic problem for your life.

FOR A GOOD TIME CALL BY TRISH JENSEN PDF

"A story that blends liberal doses of laughter with a few smiling tears. I highly recommend it." --Bookbug on the Web

A mysterious prank brought them together for sizzling-hot romance . . .

"I'm just a nosy little ad exec who's dying to see who invited me to meet you."

"Listen, Sherry Whoever-You-Are, I'm very, very busy," Kit Fleming answered. "If you could just speed this up, I'd be wildly grateful."

Sherry became uncomfortably aware that he had a very sexy phone voice. "Well, you see, I got a delivery tonight, and I didn't have anything smaller than a fifty, so the kid had to give me change."

"Uh-huh," he said, the grunt tinged with annoyance. "Fascinating."

"The twenty he gave me had some writing on it."

"Writing?"

"'For a good time, call Kit.' And of course, your phone number."

Trish Jensen is the bestselling author of romantic comedies including *Against His Will*, *Stuck With You*, and *Phi Beta Bimbo*. Visit her at www.trishjensen.com.

This is the author's best work thus far, imho.

By Detra Fitch

Sherry Spencer may be thirty-years-old, but anyone looking at her would believe her to be a teenager. Although her face reflects pretty innocence, inside she has the determination of a bulldog. She has been so busy making a name for herself in the advertising field that she has not really been bothered about her lack of dates. Sherry works for Simpson & Bailey. She is an advertising marvel. She has won every major award her industry has to offer, and some they do not. Sherry has so many clients and accounts that her boss, Fred Simpson, allows her to accept or decline taking on any new ones, no matter how big.

Sherry knows she is a wiz. She had worked hard to become one. Yet Sherry is not the cynic so many in her

profession are. She has remained the nice person she was when she began her career, but she is no push over. So when Sherry reads "For a good time call Kit" on a twenty dollar bill, she dials the local phone number to warn the poor lady. After all, who knows how many bills were floating around with the lady's number on them. However, Kit turns out to be a man. One who actually demands that Sherry shred the twenty dollar bill. When the demand fails, Kit offers to meet with her and exchange the twenty for another.

Christian "Kit" Fleming is the CEO of Bella Luna Industries, Inc. Having grown up in an environment that nightmares could be made from and having seen what marriage could do to people, Kit refuses to ever wed. Every woman Kit dates is informed of his rules up front. Kit gives no promises of monogamy, commitment, or love. Whether it be his business or private life, Kit must have full control. Unlike his childhood, Kit would never again put himself in a vulnerable position. Vulnerability makes a person weak.

While exchanging currency with Sherry, Kit realizes that she is the young ad genius he is due to meet in the boardroom the following morning. Though Kit believes she is a thoroughly irritating, stubborn female, he still wants her on the Bella Luna commercial project. She appeals to him like no woman he has known. It is more than just her intelligence or pretty face. She possesses an elusive quality that makes him eager to learn everything about her. Kit's problem is that Sherry has absolutely no fear of him. She could take his business or leave it. She could take him or leave him. Kit has zero control over Sherry. Which makes her dangerous. But one way or another, Sherry will be his next acquisition. Kit fully intends to sleep with her someday soon. And Kit plans to make certain their time together would be on his terms, by his rules.

***** FIVE STARS! Author Trish Jensen has penned a romance that is ambrosia for the heart strings. Fans of Jayne Ann Krentz's early books (such as Family Man and Wildest Hearts) will especially enjoy this battle of wills. No wimpy hero or heroine, both are secure in their business positions, and neither plans to give an inch. In my humble opinion, this is Jensen's best story to date. Exhilarating! *****

This is a wonderfully sweet and funny romance.

By D. Antonio

When Sherry Spencer, advertising whiz, receives a twenty dollar bill in her change with "for a good time, call Kit..." written on it she gives it a call if only to let Kit know that her phone # is out there. Turns out Kit is Christian "Kit" Fleming, definitely not a her. He isn't thrilled when he finds out about the bill and demands Sherry tear it up. But twenty bucks is twenty bucks and she offers to meet and swap it out with him. When they meet he recognizes the scent of her shampoo and mentions it. She explains she is trying it out as she has to pitch an ad campaign to the company that makes it. She is less than complimentary when she speaks of the product. Turns out Kit is the guy she needs to pitch to.

Sherry thinks Kit is a sexy uptight stick in the mud. Kit thinks Sherry is a perky pain in the butt. Working together on the ad campaign Kit learns that Sherry knows her stuff and isn't a "yes man" type of gal. Sherry learns that Kit has his reasons for being a "stick in the mud". Can the two meet in the middle and find happiness?

I adored this story. Mostly because Sherry is smart, sexy, and comfortable in her own skin. She knows what she wants and doesn't settle. Kit isn't as far from redemption as he thinks he is. This is a wonderfully sweet and funny romance.

Funny and Charming!

By Lily - Night Owl Book Cafe

Courtesy of BelleBooks, Inc through Netgalley in exchange of an honest review

Funny, witty, charming and heart-warming. 'For A Good Time Call' was a fabulous quick read. When Sherry Spencer, an ad executive, gets a twenty dollar bill with a "For a good time call Kit" written on it, she acts on as a good civilian in hopes of saving some poor girl extended embarrassment. What Sherry Spencer didn't expect was for Kit to be a man. She meets up with Kit in order to return to twenty dollar bill, and of course to see the man behind the message. Of course she didn't expect Kit to be her next client, a controlling CEO that hired her company to do a commercial on their beauty product. Sparks fly as neither of them are able to agree at the beginning on the vision they have for the commercial which in turn is followed by a heated attraction.

Kit Fleming is controlling, with his own set of rules for the women he meets and beds. So when Sherry wonders into his life, he isn't prepared to deal with the attraction he feels for her. She is one of the only women who has somehow managed to reject him over and over again, and didn't fall for his demanding ways.

The story was absolute blast. I loved the characters, Kit and Sherry were very well written. I thought the story had it's adorable funny moments. There was a time that I hated Sherry especially when Kit was trying so hard and she would just poke fun of him. I wanted to put him under my pillow and comfort him, heh. The attraction between the two characters was thick and believable. A great fast paced read, that left me yearning for more. The plot was amusing and engaging. Thought I heard people compare it to Fifty Shades of Gray I don't have a leg to lean on, as I myself never read those books. But know that 'For a Good Time Call...' held my attention through and through.
