About the Author

Spencer Nelson has loved to draw all his life. Born and raised in Idaho, his talents brought recognition even in elementary school. As a teenager he received awards in city and state-wide art competitions. He spent hours drawing space ships, fantasy art of all sorts, and comic strips — some in 3D! A passion for the movies drew him to study filmmaking at the University of Southern California. He subsequently made award-winning TV commercials, business films and training films for a dozen years. In the early 2000's, after a much-too-long break designing machines, he turned his attention to his true calling: art and writing. His paintings and commissioned portraits are displayed in living rooms throughout the country. Recognizing a universal interest in weird creatures among the young and not-so-young, he revived his own childhood fascination and set out to create this book. Doing so has, for him, been enormous fun — bringing back the joy he felt as a youngster when he sat before a sheet of paper, opened a box of crayons, and went to work. He currently lives in Broomfield, Colorado. To learn more about Spencer and his book and see samples of his art, visit www.spencernelson.net.
