Great pocket Bible, but they are NEVER to be sold. They are free from the Gideons.

By a viewer

Don't misunderstand; the free pocket Bibles from the Gideons are great little Bibles and are well made and attractive. However, I'm rating this product one star because Gideon Bibles plainly state they are NEVER to be sold. So don't buy one; get them at no charge from the Gideons. Someone is making money off a free product here, which is unethical. :(

I like this little bible

By Shane Van Winkle

I like this little bible. Yes it is small but Im 59 and can read it. I used to be w/ Gideon's a few yrs ago and we paid about \$1.38 for this same item so we could hand them out. I carried 5 or 6 at a time in a coffee can in my dump truck to give to my contractor friends. I understand the comment "not to be sold" but Gideon International sells them Gideon member people to give them away. I don't see a problem with Amazon selling these. If I want more I have to buy them from a Gideon member anyways. The Amazon price is about the same as what Gideon Int needs to make these great gifts of Gods Word. I just tell people, "The print is small but the message is bigger then you can imagine...just get your reading glasses and read this...I care about you."
