Review

A superb short introduction to the life of one of the great prophets of the 20th century. Kevin Clarke's beautifully written and solidly researched biography of Archbishop Romero is an inspiring introduction to the life of a man who gave everything--including his life--for the poor, for the church and for God. Highly recommended.

OSCAR ROMERO: LOVE MUST WIN OUT (PEOPLE OF GOD)

BY KEVIN CLARKE PDF

People of God is a brand new series of inspiring biographies for the general reader. Each volume offers a compelling and honest narrative of the life of an important twentieth or twenty-first century Catholic. Some living and some now deceased, each of these women and men have known challenges and weaknesses familiar to most of us, but responded to them in ways that call us to our own forms of heroism. Each of them offers a credible and concrete witness of faith, hope, and love to people of our own day.

With the cause for his beatification reportedly moving along rapidly now at the Vatican, this biography of a people's saint traces the events leading up to the assassination of Archbishop Oscar Romero at a chapel altar in San Salvador and the reverberations of that day in El Salvador and beyond. This in-depth look at Archbishop Romero, the pastor-defender of the poor and great witness of the faith, offers a prism through which to view a Catholic understanding of liberation and how to be a church of the poor, for the poor, as Pope Francis calls us to be.

Truly a Saint

By John S. Wintermyer

Powerful biography of the is great man, bishop and martyr. Kevin Clarke summarizes The Archbishops life and his conversion to the radical commitment to the poor and to the demand of the Gospel for justice to any oppressed.

Comparing this radical shift of lifestyle, one can understand that Pope Francis finds himself in the same footsteps as this wonderful person. As he will be canonized as a saint very soon, the reader can find this book a helpful summary of why Oscar Romero would be given this great honor. It also reminds us that Rome and the Vatican too often withhold such honors from those who deserve this honor because of misinformation which had been circulated to discredit this great person. Even is never recognized by the Vatican in the past, the People of San Salvador have the honor of naming their own Saint and a lover of the people and a true seeker for justice.

The facts and interpretation were well presented. The author's writing style is, in my opinion, convoluted. Simpler, shorter sentences sometimes speak with a stronger voice.
