Great book!

By judycookie

This is the best book on play in occupational therapy that I have ever read. It is an essential for your library if you work with children.

Five Stars

By Elizabeth

good book

0 of 1 people found the following review helpful.

Horrible

By OTD_ASHLEY

I felt as though I was getting dumber and dumber with each page I read. We do not need a book to be written on play. It is common sense. This book was a waste of time for the author to write it and me to read it. Oh and a big waste of my money.
