LOVED IT

By B&B Book Blog

This story is well written and yes it has sex hot amazing sex.....

It's not about winning. It's about how you play the game.

The first two books were amazing and I couldn't wait for book 3 to come out and Brooke Harris did not let me down. This series really is crazy, captivating, and keeps you on the edge of your seat and I mean your literally biting your nails off.

Eva has grown so much since the series began that I am really proud of her. She's done being a people pleaser, and now she's going after what she wants. And she wants Julian Harte and she plans on staking her claim.

Julian has always enjoyed a challenge that comes with the game. But some challenges are too big, even for

him. He's about to face the hardest decision of his life. Keeping secrets is the only way he knows how to protect Eva.

Eva is not making it easy for Julian and is running out of time.

Will Julian and Eva realize that they are on the same team before it's too late? Will they have their happily ever after?

I laughed and cried. I got angry at these two stubborn fools who just wouldn't stop playing to win. Julian and Eva have grown so much over this series that I am disappointed that it's come to an end. I hope we get to meet up with them on a later date.

I highly recommend this book but please read the first two books to this series...

What to say, this book is

By MT Daisy

First off I just want to say that Brooke Harris is such a great author. Queen of Harte's was a much anticipated book in the Harte Series. The first two books were great but this one was not only fantastic, but was compelling and spell binding. It was hot, (I mean hot). It had so many twists and turns I had to stop and think back to the other books and it was like holy crap I didn't see that coming. At times I wanted to yell (well actually I did) at both Julian and Eva for their stubbornness. I can't tell you how often I had tears throughout this book. I must congratulate Brooke on the ending. As I was reading and crying thinking I couldn't believe this was how it was ending, she turned it around making me laugh and giving me, Julian and Eva our HEA. Great job Brooke the long anticipated wait was well worth it.

Queen of Hartes, a love story!

By Betti L Schmidt

Love the series, but this book is better than the first two. Julian Harte is a force to be reckoned with! I am hoping, maybe even praying that this isn't the end of the Harte series. Brooke has made me laugh, cry and to love again!!
