I loved this book. This is the first book I have read by Elizabeth Kelly and I really liked it. It is such a good story with extremely lovable characters and some hot hunky men and hot sex what's not to like. Anxious to check out more of her books as this one was truly worth the read, I enjoyed it and ended the book wanting more, that's a good sign!

Heartwarming

This was such a wonderful little gem of a book. I really loved how the hero not only fell in love with the

heroine he fell in love with her little girl after his aversion to kids. And she was tough to love even I had to fall in love with her. This was so good. Found it by mistake but glad I did. A keeper

A sexy holiday read or not. Doesn't matter what time of the year it's read. Single mom poor choices no money working as a maid for a cleaning agency. Her daughter was dropped off at her job by babysitter due to emergency. Kids will be kids and rest is history? Deacon? Deliciously naughty.
